ARTISAN COFFEE ROASTERS · PARMA

## OUR STORY

# The history of Caffè Farnese is a story of two friends and their dream.

After a long period of training and professional experience in the ho.re.ca sector, in leading companies in the world coffee market, a PASSION was nurtured.

The love for the raw material, green coffee, grew every day.

The dedication, research and artisanal selection have stimulated the identification of customizations of fine coffee blends, aimed at and intended for lovers of excellent tasting.

## FARNESE COLLECTION

# Coffee beans

1 kg bags, whole beans. For cafés and restaurants.

### 100 % ARABICA

## Giglio d'oro

Sweet, balanced, aromatic espresso with pleasant acidity. Notes of dark chocolate, aftertaste with a liqueur finish.

### BLEND

## Royal Blend

Sweet coffee with notes of liqueur and ripe fruit. Balanced acidity, velvety body, aftertaste with hints of cocoa.

### BLEND

## Granduca Blend

Decisive, intense espresso, balanced in its syrupy aromas with notes of cocoa and hint of caramel, prolonged aftertaste with hints of toasted and biscuit.

### ESPRESSO

## Decaffeinato

All the flavour of coffee, without the caffeine.

# Capsules and pods

For home and office, in the most popular formats.

## Royal Blend

Sweet coffee with notes of  
liqueur and ripe fruit.  
Balanced acidity, velvety  
body, aftertaste with hints  
of cocoa.

## Decaffeinato

All the flavour of coffee,  
without the caffeine.

## Orzo

Soluble barley drink.

## Ginseng

Ginseng-flavoured drink.

# Machines

---

## Tube Cialde

- 2 Lt. tank made with unbreakable material with hammer
- Aluminum heat exchangers
- 20 Bar vibration pumps
- On/off and coffee light
- Frame made with ABS
- Coffee group safety thermostat
- Machine dimensions (LxPxH) in mm: 150 x 330 x 290
- Net weight 6.60 Kg

### COMPATIBLE FORMATS

Cialda 38 mm

Cialda 44 mm

## My Space Capsule

- 0.6 Lt. tank
- Anodized heat exchanger, food and anti-limestone
- Fireproof vibration pump
- Thermostat 95° MADE IN ITALY
- Resistance in stainless steel
- Certified fireproof ABS frame
- Machine dimensions (LxPxH) in mm: 140 x 337 x 269
- Net weight 4.30 Kg

### COMPATIBLE FORMATS

FAP

## Faber Slot Cialde

- Powered by 220-240V at 50Hz
- 1.30 Lt. tank
- Thermoregulator from 95° to 145°
- 500W of power
- Press and brass torpedo
- Aluminum exchanger
- 15 Bar pump
- Chrome lever
- Visible chrome support plate
- Painted metal body and structure

### COMPATIBLE FORMATS

Cialda 44 mm

Cialda 38 mm

## My Caps Capsule

- Espresso functions: short and long
- Powered by 220-240V at 50Hz or 120V at 60Hz
- Total absorbed power: coffee group 550W / steam group 1000W
- Glow-wire fire retardant vibrating pump MADE IN ITALY
- Pump power: 48W / Max pressure: 20 Bar
- Electronic temperature control via NTC probe
- Resistance in Stainless Steel
- Food-grade ANODISED anti-limestone exchanger
- U-boiler for the steam group
- Bodywork in certified fireproof ABS
- 2.00 Lt. tank
- 2.00 mt. of power cable

### COMPATIBLE FORMATS

FAP

# Training

Courses for baristas and enthusiasts, from the first espresso to advanced technique.

## Basic course

Starting with the basics, we offer a course that aims to provide the techniques and ways to extract a perfect espresso, as well as a practical knowledge of 'whipping' milk. This level is ideal for those who wish to acquire the basic skills needed to create the perfect cup of coffee.

## Advanced course

For those interested in taking their skills to the next level, we offer advanced courses aimed at coffee professionals. These courses focus on the preparation of specialty coffees, which are authentic culinary works of art composed of tasty combinations of coffee-based elaborations. During these courses, participants will learn the advanced techniques needed to create pleasing compositions that will delight the most refined palates.
